GURNEY'S®
SEED & NURSERY CO.

Asparagus Food

Directions

New Plantings:

- Apply 1 cup of Asparagus Food to the trench prior to placing crowns.
- Mix Asparagus Food with some soil in the trench.
- Lay crowns over the soil/ Asparagus Food mixture and cover with the appropriate amount of soil.

Existing Plantings:

- Side-dress Asparagus Food along the row of aspar-agus at a rate of one cup per 25 feet of row. Scratch the Asparagus Food into the soil.
- This should be done twice a year, once when spears start to emerge and again when harvest ends.
- For individual plants, apply two tablespoons per plant.

"Information regarding the contents and levels of metals in this product is available on the Internet at http://agr.wa.gov."

Gurney's® Asparagus Food
4-3-1
Guaranteed Analysis

Total Nitroge(N).....4%
0.18% Water Soluble Nitrogen
